Daily Living Situation		
Live on farm with mom and dad; responsible for daily chores. Family loves each other. Hang out with friends some; would like more.	Want to accomplish my chores more consistently so I have more free time. Want to go to LaGrande for college in two years. Want to get my driver's license.	Playing video games with friends, church connections, guitar. My cousin is going to college in LaGrande now and my uncle teaches there. My parents have an old truck they said I could have once I get my license.
Financial/Insurance		
My parents cover my insurance and will pay for some chores.	Would like money to pay for movies.	Have had an allowance. Last summer I worked in town at the grocery store and saved some money.
Vocational/Educational		
Finished 11 th grade. Trying to catch up on my classes so I can go to college.	Want to complete high school and get an agriculture degree.	My neighbor used to be a teacher and has tutored me. Also there is a career counselor at school who I've talked to about college.
Social Supports		
Two good friends, church youth group, lots of relatives.	Would like a girl friend. Also would like my family to communicate better without arguing so much.	Lots of long-term friendships and relationships to fall back on. Not sure how I will make friends when I go to college.

Health		
Eat pretty good meals. Feel pretty healthy overall.	Want to get stronger and exercise more.	Have done weight lifting with my friends. Basketball team also kept me in shape.
Leisure / Recreational		
Spending a lot of time on the internet. Friends stop by sometimes.	Would like to get back on the basketball team.	Used to be good at basketball.
Spirituality		
Go to church sometimes. Believe in God but not as religious as my parents.	Like where I'm at. Like having youth group connection. Would want that in LaGrande.	Prayer has helped sometimes.

What are my priorities?

1. *Finishing high school*
2. *Applying to college*
3. *Improving my family's communication*
4. *Getting a girlfriend*
